Coming on Friday, June 5th

School Fuel's "Novato Grows Talent" Telethon

There are a limited number of tickets available for \$5 each for individuals who would like to view the taping live at the NUSD headquarters. You may also consider making a donation to help maintain support for the music program School Fuel helps provide your child in elementary school. If the family of every Novato student joined at the Scholar Club level or higher, this event would be able to fund the entire cost of the NUSD music and arts programs!

For reservations, contact Darcy Marengo (using the form below) by June 1, 2009. You can also organize or join a house party to view the show with a group of friends or neighbors. To organize or find a house party in your area, please contact MJ Lonson (mjlonson@msn.com or 898-8900). Satellite television and out of area viewers will be able to view the production via web-streaming. All of the money raised from the telethon will be used to maintain the academic and enrichment programs in our Novato public schools next year.
